School Days Out

The Y offers single day camp sessions on days when school is out (dates as listed above). School Days Out is a program that allows your child a fun day away from school where they can still learn new skills through creative activities, develop friendships, and explore the natural world.

School Days Out registrations are separate from Y Club and must be taken care of at the front desk of the Noble County Family YMCA one week prior to that day of program. Payment will be required at the time of registration. If two days prior to the School Day Out session, registration does not meet a minimum of 7 kids, the session may be cancelled.

Kids will need to wear weather-appropriate clothes for outdoor activities, closed-toe shoes, and bring a backpack with lunch, swimsuit, towel, and a refillable water bottle.
