NOBLE COUNTY FAMILY YMCA CODE OF CONDUCT

Positive discipline and guidance are critical and necessary developmental aspects of a child's life and the application of both is an ongoing process. YMCA staff strives to create an environment for children and staff to have positive experiences from which they can grow to their fullest potential; because of that, our discipline philosophy at the YMCA employs positive reinforcement and social-emotional practices to help your child grow.

The Noble County Family YMCA has developed the following policy in regard to child behavior and discipline:

The YMCA may immediately suspend a child for engaging in any verbal, physical, or psychological bullying or confrontation during the program. Our goal is that each child has the opportunity to feel safe and grow in Spirit, Mind, and Body; establishing an environment of respect and tolerance is paramount to this purpose. We reserve the right to suspend or expel any child without prior notice to parents if the child is putting themselves or another child or staff in danger. The YMCA may also immediately suspend a child for bringing any type of weapon to the program (pocket knives, guns—toy or real, etc.). Prior notice to parents will not be required.

The Noble County Family YMCA may suspend (upon written notification) a child from the program when the child does not engage in one or more of the following by showing:

- Respect for authority, self, and others
- Fairness, by treating others with courtesy
- Responsibility, by following directions and being prepared for the program
- Caring, by keeping his or her hands, feet, and objects to themselves
- Citizenship, by avoiding disruptive behavior at the YMCA and contributing to the group
- Honesty, by telling the truth

At the time of the first offense (other than those listed in the handbook as requiring immediate suspension), there will be a written warning and notification will be made to the child's guardian. The second offense will result in suspension from at least one scheduled day of the program. The third offense will result in a conference with the director, the parents/guardians, and the child, evaluating the child's placement in our program.

Verbal or physical bullying is not allowed, nor tolerated; if a child bullies other children, he or she may be immediately removed from the program. Parents will be responsible for any and all financial damages. It is at the Camp Director and YMCA Leadership's discretion whether any type of behavior violates the camp culture and will deal with said behavior as they best see fit.
